

The Social Buzz

School of Social Work

December 10- December 12, 2025

MESSAGE FROM DIRECTOR

I want to start by acknowledging that many of us are in a space that feels complicated and heavy given the recent shooting of Alex Patti. For me, as someone whose roots run deep in Minnesota, this moment strikes particularly close to home. I know many of you carry similar pain—whether connected to Minnesota, your own communities, or broader events unfolding around us. Your feelings are valid, and you are not alone in this.

This semester brings a concrete opportunity to channel our social work calling for advocacy: the UConn Campaign School, taking place February 27-28, 2026 in Hartford, Connecticut. This is your chance to develop skills in political engagement, advocacy, and campaign strategy—the very tools we need to show up and advocate for the needs of our communities.

Whether you're interested in electoral campaigns, fundraising, coalition building, or voter engagement, the Campaign School offers hands-on learning with experienced political and social work professionals. It's a tangible way to practice the policy advocacy work central to our profession.

Here's the important part: The School of Social Work is committed to supporting your participation. We'll cover your registration and flight costs. You'll only need to cover hotel, meals, and local transportation.

Applications are due by 5:00 p.m. on Friday, January 31. Please don't miss this deadline.

As you navigate this semester, remember: advocacy is not just something we study—it's something we do. Your voice, your passion, and your commitment to our professional social work values matter.

Wishing you all a meaningful and empowering spring semester.

A handwritten signature in black ink that reads "Mary Nienow".

Dr. Mary Nienow, Director

SCHOOL OF SOCIAL WORK

Career Fair Opportunity for Social Work Students!

Social work students are encouraged to attend Career Connections, the first career fair of the spring semester, hosted by Aggie Career Studio. This two-day event is a great opportunity to connect with employers seeking students for internships, co-ops, summer roles, and full-time positions.

February 3–4, 2026

9:00 AM – 2:00 PM

3rd Floor Ballroom, Corbett Center Student Union

Both days are open to all majors, and many employers are interested in skills and experience aligned with social work and human services fields. Career Connections is free and open to NMSU students, alumni, and community members. A Handshake account is required (all current students already have one).

Don't miss this chance to explore career paths, ask questions, and build professional connections!

Tuesday & Wednesday
February 3rd - 4th
9:00 am - 2:00 pm

**Attend The Biggest Employment
Opportunity of the Spring Semester!**

CELEBRATING SOCIAL WORK FACULTY & STUDENT EXCELLENCE

Congratulations to the Social Work faculty and students recognized during New Mexico State University's Fall 2025 Convocation and the College of Health, Education, and Social Transformation (HEST) Opening Program!

- **Dr. Megan Finno-Velasquez**, Associate Professor, received the Mid-Career Award for social sciences, humanities, and the arts from the University Research Council.
- **Dr. Kimberly Knox**, Assistant Professor in the School of Social Work, was named the 2026 HEST nominee for the prestigious NMSU Patricia Christmore Teaching Award for her exceptional work in serving and mentoring students.
- Graduate students **Sara Hipps** (MSW) and **Susan Brown** (MSW MPH) received the College of HEST Distinguished Graduate Student award.

We are proud of these outstanding achievements and grateful for their contributions to our community.

PRACTICUM ORIENTATION

Dear Future Practicum Students,

The Practicum Team is excited to welcome you as you begin this important year in your educational journey. We look forward to working with you and want to share key information to help you prepare for the semester ahead.

We recognize that securing a placement can feel overwhelming. Please know that you have a dedicated practicum team to guide and support you throughout each step of the process. Please see below for more important information that will help you to secure a practicum.

Practicum Orientation

You will be required to attend an orientation before you contact any agencies. You are also required to meet with your practicum coordinator for agency contact information. You will need to register to receive the link.

SCHOOL OF SOCIAL WORK

THE DSJ COLUMN

January 2026

As a new semester begins, many of us are returning with mixed energy—some grounded and ready, others still finding our footing after the break. Most of us are holding a complicated mix of care: for ourselves, for the people we love, and for what's unfolding around us.

The DSJ Committee remains committed to fostering fair, inclusive, and humane experiences within the School of Social Work, especially during moments of uncertainty or strain. Remember that meaningful action can be small, quiet, imperfect, and personal. If you're feeling stuck, consider one small next step from the list below:

Support or amplify a cause you trust

- Stand with Minnesota – ([link](#))
- Food Not Bombs Las Cruces – ([link](#))
- Or find a [Food Not Bombs](#) group near you – ([link](#))
- The "Just One Town" Project (Tod Maffin) – ([link](#))
- Or choose one cause that you feel pulled toward – and amplify it in a small, concrete way.

Or take one values-aligned action

- Share a resource with someone who might need it.
- Gather a few resources you don't need so you can pass them along when the moment comes.
- Speak up when you can; step back when you need to.
- Sit quietly and let yourself process what you're carrying.

Choose your self-care adventure

- Get ahead on one assignment—or consciously deprioritize something small
- Read for pleasure or make time for something creative
- Plan a guilt-free binge night or an early bedtime
- Wake up early for a calm moment, or sleep in on purpose without apologizing
- Spend time with others—or intentionally spend time alone

IN 2026...

"If you don't stick to your values when they're being tested, they're not values. They're hobbies"

Our Book Nook reading list offers one way to revisit core social work values beyond academics. Take a look back at our recent reading recommendations, and if something has been shaping your thinking lately, consider submitting a recommendation before 1/30 to have it published in our next Book Nook reading list.

Scan to access this month's recommendations

We're proud to share that our DSJ Fellows will be presenting their projects at the 2026 New Mexico Higher Education Assessment & Retention Conference this March. Please join us in congratulating them on this meaningful milestone.

They will be presenting on the "What, why, and how's" if their individual projects, the impact of their experience on professional development, and student perspectives on a Fellowship in social work education to foster student engagement and retention.

FACULTY REFLECTION

A social media reflection, written on June 30, 2025

By: Prof. Nikki Pauls DeSimone

I went to my first U2 concert in 2017. The first chord was played and the screen illuminated. The audience was screaming - so loud! Maybe you were there. We ran into a ton of people we knew that night!

The projection zoomed onto a half full plastic gallon jug of water. It zoomed out a bit and we saw that a man was carrying that jug of water. And that man was walking.

The guitar and bass chords were becoming more intense, but the band was nowhere in sight. People were screaming louder than I had ever heard.

Still the image projected on the screen was a man walking.

In the desert.

With only a backpack and a gallon jug,

And as we all began to realize what we were watching, the crowd grew quiet. Then almost silent.

I'm not sure how long 45,000 people packed into Arrowhead Stadium that night watched a migrant man walk a dangerous journey through the desert with nothing but a small backpack and a gallon jug of water, but we watched for a good long while.

And Bono watched.

And he waited and he didn't come out on that stage or sing his first note until he gave that man enough time to walk, so we could all watch and learn together.

Today, Bono once again allowed two other great men to go before him as he stood back and watched. So we could watch him show respect and admiration for two former presidents, just as he showed to that migrant man at the concert in 2017.

It's really not about politics anymore. It's about decency. And morality. And humanity.

I'm more scared today than ever. And if you're not, perhaps you'll want to consider why.

Is there something in this for you? Do you feel like your life matters more?

If so, you might want to stand aside and watch and learn, with respect, just like Bono.

Link to article I am introducing in this above post:

COMMUNITY ANNOUNCEMENT

2026 SOCIAL WORK STUDENT ADVOCACY & ACTION SANA DAY AT THE LEGISLATURE

Pictured: social work students in the Governor's Office during 2025 SANA Day at the Legislature

On **February 6, 2026** social work students from across New Mexico will meet at the State Capitol Building in Santa Fe to participate in **Student Advocacy & Action (SANA) Day at the Legislature**.

Upcoming SANA Trainings and Events:

1/27/26 • (Tues from 10 am–11:30 am) [Legislative 101](#) [Virtual]

2/5/26 • (Thurs from 6 pm–8 pm) • [Pre-event SANA Social Time](#) • [Sage Hotel Social Kitchen + Bar]

2/6/26 • (Fri from 8:30 am to 2 pm) • [SANA Day at the Legislature](#) [SF HEC & NM State Capitol Building]

Organized by the NMHU FVSSW [Center for Excellence in Social Work](#), 2026 SANA Day at the Legislature brings together collaborators including students, faculty and staff at organizations and institutions such as the [National Association of Social Work \(NASW\) New Mexico Chapter](#), [Eastern New Mexico University Social Work Program](#), [New Mexico Highlands University Facundo Valdez School of Social Work](#), [New Mexico State University School of Social Work](#), [University of New Mexico Master of Social Work Program](#), and [Western New Mexico University School of Social Work](#).

New Mexico social work students, “SANA is your chance to turn your passion for social justice into real action. You are not just learning about policy; you are shaping it! Your voice matters and the decisions being made in that building [at the State Capitol] affect the communities you will serve as future social workers.” said **New Mexico State University School of Social Work Practicum Education Director, Maribel Tellez, BSW, MSW**. “Advocacy is a big part of who we are as social workers. Participating in Student Advocacy & Action (SANA) Day is one simple way to make an impact” said **Eastern New Mexico University Social Work MSW Program Director, Dr. Melissa Moyer, LCSW**.

Developed by social work's national accrediting body, the [Council on Social Work Education \(CSWE\)](#), the nine core competencies ensure that social workers can provide competent and ethical services. The content and learning available during SANA day and its preparation trainings are relevant to several competencies including, [EPAS 2022](#) Competency 5: Engage in Policy Practice.

COMMUNITY ANNOUNCEMENT

SANA provides students with the opportunity to not only develop their own legislative, policy, and advocacy interests but also provides actionable steps to create meaningful change. **National Association of Social Workers (NASW) New Mexico Chapter Executive Director, Lauren Gomez, LCSW** explains “SANA day reminds us that policy is never abstract. Every bill and every vote at the Round house shows up in someone’s living room, classroom, clinic, or community. As social workers, we are trained to sit with people in their deepest pain and walk alongside them through their trials and tribulations. But we are also called to stand in these halls of power and insist on justice.”

NMHU Facundo Valdez School of Social Work Interim Dean, Dr. John M. Tourangeau, MDIV, MBA, LADAC, LCSW notes that the SANA day “...experience empowers participants to become advocates for systemic change through education about legislation and policy processes, platforms for decision-making and change, and networking that fosters connections with lawmakers, community leaders, and those passionate about the profession of social work.”

In addition to a learning opportunity and what may be a student’s first trip to the Roundhouse, SANA and its connected activities allow for networking and relationships to be formed and strengthened. “The connections and relationship-building that happen at events like SANA when students are in their degree programs serve as a throughline of support to professional practice with access to a community of peers after graduation” said **Center for Excellence in Social Work Professional Development Coordinator, Amber Vilas, MSW**.

The importance of student voice shapes SANA day and its significance. “Watching our students find their voice at the Legislature is one of the most rewarding aspects of social work education. SANA provides an invaluable opportunity for students to practice the advocacy skills that will define their careers” notes **NMSU SSW Director, Mary Nienow, PhD, LISW**. On behalf of the NASW New Mexico Chapter: “social work student presence at SANA day signals that the future of our profession refuses to settle for the status quo. Students should attend SANA to ask better questions, demand better systems, and imagine better outcomes for all New Mexicans. Student voices matter; student advocacy is needed, and showing up makes a difference” said **Executive Director Gomez**.

Join us in empowering the next generation of advocates! To register, [click here](#). To learn more about 2026 SANA Day at the Legislature and the Center Plaza, visit: fvssw.org/center-plaza

Situated within New Mexico Highlands University’s Facundo Valdez School of Social Work (FVSSW), the Center for Excellence in Social Work (Center) was established in 2022 by Governor Michelle Lujan Grisham with the aim of enhancing our state’s capacity to train and prepare social workers for competent practice with multicultural populations and communities.

For questions, contact the Center for Excellence in Social Work at ceswnm@nmhu.edu or 505-260-6197.
