- FREN 1110, 11120
- SIGN 1110, 1120

Co-curricular requirements

Disclaimer: Following this degree map is just one way to complete this major. However once in the program the Social Work classes must be completed in the set order shown. This assumes the student passes all of the courses and is not taking into consideration any developmental courses which are not applied towards the degree*. All Social work classes require a C- or better grade.

***Taking Developmental class will result in the need to take additional classes to get to the 120 credits needed for the degree. Taking some of the gen education courses in the summer can get you back on track to finish the program on time**
